FOREIGN ADVERTISEMENTS.
ANY MAN WHO PROPOSES TO UNDERSTAND
all trades and sciences, assumes to impose an absurdity
upon the public. On the same principle, any medicine
which professes to cure all diseases, is unworthy the
slightest confidence, and should at once be denounced as
a quack nostrum. The Greenberg Family Medicines do not
assume to cure all diseases with one remedy. They have
different medicines, each adapted to its peculiar disease;
and time has proved, beyond a question, the efficacy and cer-
tainity of these preparations. Their list comprises the follow-
ing medicines:

GREENBERG VEGETABLE PILLS;
MARSHALL'S UPRIGHT CATHOLICON;

LATEST FOREIGN NEWS!

By the arrival of the clipper ship *Syleia*, in 12
days from San Francisco, we have later European
dates to July 16; Atlantic to July 20, from New
York, by mail; and to July 28 from do., by tele-
graph.

We copy the following from our foreign files:
CONFIRMATION OF THE PEACE, AND ECHOES
FROM THE SEAT OF WAR!—The steamship *Europa*
arrived at New York July 27th, bringing dates
from Europe to the 16th July. The peace news
is fully confirmed, but no further particulars have
transpired beyond the fact that the Princes of
Tuscany and Modena return to their States.

Letters from Paris note much discontent there
concerning the terms of peace, although peace
itself gave satisfaction. The Paris *Siecle* objects
to Austrian influence still being suffered to remain
in Italy, and calls for the expulsion of the petty
Italian Princes, who are but confederates of Aus-
tria.

Napoleon, on his arrival in France, would pro-
ceed directly to St. Cloud, deferring his official
entree in Paris till he makes it at the head of the
army.

The Emperor and the King of Sardinia entered
Turin on the 15th, amid the enthusiastic acclama-
tions of the people.

The Austrian correspondence officially an-
nounces the conditions of the treaty of peace, thus:
Austria and France will support the formation
of an Italian Confederation. Lombardy, as
far as the line of the Mincio, is to be given up.
Mantua, Peschiera, and the whole of Venetia,
except in Austria's possession. The Princes of
Tuscany and Modena return to their States. A
universal amnesty is granted.

The Vienna correspondent of the London *Times*
says three applications were made by Napoleon
to Austria before she would consent. Overtures
were made direct by Napoleon, for the purpose
of preventing mediation by the neutrals.

The same correspondent says that the Pope
was burnt in effigy at
